

A person is holding a glowing neon sign that is shaped like a smartphone. The sign is bright white and stands out against the dark background. The background is a city at night, with many lights from buildings and streets, creating a bokeh effect. The overall color palette is dominated by blue and purple tones.

About Pawa

Electronic devices like smartphones, tablets, and laptops are inevitable for almost everybody of the present generation. While you are using various devices together by way of wireless and wired chargers, the charging cables are an essential staple. Here, Pawa introduces reliable solutions for your connectivity requirements with affordable cables and chargers. We manufacture the chargers and cables following rigorous compatibility and reliability tests to meet all needs, even with the latest technologies.

Our products are equipped with premium durability and lasting performance backed with industry certifications, warranties, and comprehensive testing to ensure compatibility. Furthermore, our wide range of connectivity accessories supports almost all technologies enabling easy and simple device connectivity for different purposes. Our dedicated technical and non-technical experts team is always curious to ensure effective and efficient pre-post sales and services.

Solid Travel Charger

Solid Travel Charger, Type-C Port, PD 20W

SKU: PW-PDUK-BK

Barcode : 6476971350996

Over Current Protection

Overvoltage Protection

Lightning Protection

UK 3pin Plug

Specifications

Input : AC 100V-240V / 50-60Hz / 0.5A

Output : Type-C, 20W

Color : Black

Material : ABS+PC

Solid Travel Charger, Dual Port, PD+QC

SKU: PW-PDQC3UK-BK

Barcode : 6476971350514
